

The preparation work for the Baneasa Community Center is underway and we are so excited about your partnership with us, see our vision fulfilled for the spreading of God's love over the region of Southeast Romania!

These canola flowers fields will soon be harvested carefully and turned into huge amounts of fresh oil, not one plant will be left behind. Why should we do any less with the multitudes of souls waiting to be harvested for God's eternal kingdom? We cannot afford such a loss!

These precious faces and dozens others, meet us every

Greetings from Romania!

The Penndel District council will begin next week and many of you will gather together to celebrate 100 years of God's sovereignty and all the great things He accomplished through His faithful servants!

Today we would like to thank you for sending us to be your hands extended in reaching the lost. Together, we are touching lives on a daily basis and here are just a few examples:

Marcel, the 12 years old child that wandered the streets on a cold winter night because his mentally ill mother locked him out of the house. The postpartum woman who called us at midnight because she was sent home too early after a C section with severe headaches. Alina the mother of a one year old little girl who is beaten by her boyfriend and needs to be taken to safety.

The village of Cuiuc with its muddy roads, lost in obscurity and
